

Shoofly Literary Magazine Cover Design Contest

Shoofly Literary Magazine accepts digital submissions for the magazine Cover Contest from June 1st to October 31st. Entries must be created in InDesign and sent as a pdf. file and an InDesign attachment to shoofly@kutztown.edu. Please include your name and contact information in the email and write "Shoofly Cover" in the subject line.

The design is left to the artist's discretion, and we encourage originality. We're looking for original works of art (no flies, please). Each artist may submit one cover for consideration. Please follow the dimensions below when creating the InDesign file and include the following text in the design: **Shoofly Literary Magazine**. See previous issues of the magazine for reference.

The Shoofly Literary Magazine Staff will make its selection each November. The winning artist's design will be used as the magazine cover and the artist's name will appear in the credits. The winning artist will have an opportunity to make changes before printing, but submissions should be as complete as possible. Best of luck to all who submit.
