

Shoofly Literary Magazine

Shoofly Literary Magazine accepts annual submissions of poetry, fiction, and drama from June 1st to November 15th. Writers may submit up to 3 pieces for consideration. Only one of the three submissions may exceed 3,500 words.

Submission Guidelines (Please follow these instructions carefully.)

- Submissions should be sent to shoofly@kutztown.edu.
- Attach each submission to the email as a Word document and please name each attachment with the title of the piece and the genre: fiction, poetry, or drama. For example, an attachment would read as follows: The River, fiction.
- Please do not include your name or contact information anywhere on the attached manuscripts. Instead, include your name, KU email address, and the titles of all submissions to the body of the email.
- Please do not submit the same pieces to Shoofly and Essence.
- The Shoofly Literary Magazine editorial staff selects pieces for the magazine without any knowledge of the author, so submissions sent incorrectly will be returned unread. Notifications are sent each April.
